

Pack 3 Scholarship Application 2025-26

The Pack Committee has set aside a modest amount of money from the budget for a pack scholarship fund. The scholarship program is designed to supplement the Scout's own efforts to pay their own way since A Scout is Thrifty.

How it works

Subject to available funds, the Pack will provide a dollar-for-dollar match on the Scout's popcorn sales revenue up to 50% of the annual pack youth dues (50% x \$185 = \$92.50).

How to apply

Please return completed forms to the Cub Master or Treasurer by **October 13, 2025**. After receiving the applications, a member of the Pack Committee will meet with each applicant and their guardian to discuss each scholarship offer. Go sell popcorn!
